

REMARKS

Claims 1 8 are amended to comply with the Examiner's objections. Thus, Claims 1 through 8 are presented for examination as amended.

All claims of the application are rejected on the basis of double patenting. Such rejection is addressed and overcome by the Terminal Disclaimer and fee submitted herewith.

Replacement sheets are submitted for Figures 1 and 2, with the replacement sheet for Figure 2 including the legend -Prior Art- as required by the Examiner and Figure 1 revised to conform in style to amended Figure 2. No new matter is introduced by changes made to the drawings.

For the foregoing reasons, all pending claims of this application are now in condition for allowance. Prompt allowance and issuance of all pending claims are therefore earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Elliott N. Kramsky", is written over the typed name and registration number.
